

**Community Engagement Fund  
Indiana University Asian Culture Center**

*For individual applicant*

The purpose of the Asian Culture Center Community Engagement Fund is to encourage the development, production, and presentation of student-led events or campaign. Proposals should promote advocacy and community engagement involving issues of diversity, equity, and social justice, focusing on issues relating to or affecting the Asian and/or Asian Pacific American communities. Suggested events include, but are not limited to: lectures, roundtable discussions, debates, forums, and art exhibits (e.g. canvas, photography, video, poetry slam, live performance) that encourage dialogue on the aforementioned themes. The grant money can be used toward program promotion, supplies, and other materials.\* Proposals meriting support may receive between \$75-150.

**Guidelines**

Only items listed in an itemized budget will be funded; All publicity and advertising must acknowledge support from the Asian Culture Center Community Engagement Fund. Funds are restricted and may **not** be used for events or programs that involve the sale of tickets, payment for Newsletters, journals, newspapers, or student stipends
